2020 – 2023

Imo State University

Bachelor of Architecture

2013 – 2018

TECHNICAL SKILLS

- Web Development: HTML, CSS, JavaScript, React, Tailwind CSS
- Backend Development: Node.js, Express, MongoDB
- Other Technologies: Git, GitHub

PROJECTS

StorySpark

StorySpark is a web app developed with Vite, React, Firebase, and MongoDB, designed to inspire children through storytelling. Kids can read a variety of captivating stories and play interactive trivia games based on the story they just read. This fun and educational app enhances comprehension and makes learning enjoyable.
